LLN's Annual Conference Scheduled for March 6, 2027

October 2026

The LLN's 28th Lymphedema Education and Awareness Conference Scheduled for World Lymphedema Day, 2027

Stand with Regional Certified Lymphedema Therapists for the LLN Conference on World Lymphedema Day, 2027!

Certified Lymphedema Therapist Directory on the LLN Website

Are you listed in the Certified Therapist Directory on the LLN website? Is your entry updated?

If you are a Certified Lymphedema Therapist (CLT) with at least 135 hours of training, you can choose to be included so interested patients and providers can find you. Please email administrator@lighthouselymphedema.org with the following information:

- Business name and complete business address
- Your full professional name and credentials/title
- Phone number for patient scheduling
- The institution or organization where you obtained your CLT certification
- Verification that you completed the required 135 hours of CLT training
- If your treatment location can serve patients weighing 500 pounds or more
- If your treatment location serves special populations, such as oncology, pediatrics or wound care

Once we receive this information, we will review your submission and add your listing to the website.

If you are already in the directory, please review your listing for accuracy. This is one of the most-used resources on our website. Please help us provide your current contact information!

Bandages and Garments Funding Available

Despite the passage of the Lymphedema Treatment Act for Medicare beneficiaries, Medicaid and uninsured patients often don't have the coverage to pay for compression supplies during and after lymphedema treatment.

The LLN's Bandages and Garments Fund provides financial support for uninsured and underinsured Georgia residents. Through a simple application process, the CLT and a patient under his/her care can apply for funding for the necessary compression supplies for treatment or maintenance phases.

For 2026-2027, the LLN received a large grant from **Georgia Alliance for Breast Cancer**, which has provided us with additional funding to purchase garments and bandages for qualified individuals with breast cancer-related lymphedema. The LLN also has funding for qualified patients with lymphedema due to any other cause.

The Bandages and Garments Fund application process requires a joint application between CLT and patient, submitted by the CLT.

If you are a CLT working with a patient who would benefit from financial assistance for bandages or garments, please contact darnofell@aol.com for more information.

If you are a patient, please ask your CLT to contact darnofell@aol.com for more information about how they can help you apply for financial assistance for your necessary garments.

2026 Survivor Legacy Breast & Lung Cancer Walk/ Run

Board member Maureen Clark met survivor and guest speaker Tameka Riddle at the Survivor Legacy event on Saturday, October 17.

This family-friendly 5K walk took place at Alexander Park in Lawrenceville, GA, with activities, music, and community celebration for all ages.

Events and organizations like these allow the LLN to support our community by sharing information about lymphedema diagnosis and treatment. Together, we're building a world where no one faces cancer or lymphedema alone.
